LEGISLATIVE MANIFESTO & GOVERNANCE BLUEPRINT 2027

Owerri North State Constituency,
IMO STATE HOUSE OF ASSEMBLY

By:

Engr. Uche Banna

NDC Flagbearer

Tinye Uche Gi Na Banna

Experience • Access • Representation

My Mission Statement

I am **Engr. Uche Banna,** a son of *Owerri North* forged by service, discipline, and an unwavering devotion to our people. For over two decades I have walked with our communities, listening, learning, and converting vision into measurable progress so that no voice is marginalized.

My commitment is to serve as your steadfast advocate, delivering functional representation, creating real opportunities for our women and youths, and strengthening institutions so that they can operate with transparency and integrity.

Above all, I pledge to legislate for the interest of our people and oversight the stewardship of our common resources with honour and accountability, so that every family in Owerri North can live with dignity, security, hope, and enduring pride.

About the Candidate

Engr. Uche Banna is an engineer, administrator, and civic leader whose career is anchored on technical competence, institutional governance, and grassroots development. Born in Port Harcourt, Rivers State, he traces his indigeneship to Ezeagu Amaeze Obibiezena, Owerri North LGA, Imo State, a connection that has profoundly shaped his commitment to

Academic Foundation & Professional Credentials

He holds a B.Eng. degree in Electrical/Electronics Engineering and a Master's degree in Project Management. His technical depth is augmented by multifarious certifications in Information Technology.

He is a Registered Engineer with the Council for the Regulation of Engineering in Nigeria (COREN), and a member of the Nigerian Society of Engineers (MNSE). He is also a Fellow of the Chartered Institute of Public Diplomacy and Management (F-CIPDM).

His academic contributions include erudite publications on building construction risk mitigation, intercom systems, and fault diagnosis in electrical appliances — practical manuals he has

Enterprise Leadership & Technical Expertise

Uche Banna is a consummate business executive with over two decades of leadership in haulage, engineering consultancy, ICT, and facilities management.

Since 2001, he has directed the family haulage and property management enterprise. In 2008 he founded Kameni Konsults Limited, providing engineering and environmental solutions.

As General Manager of Morflex ICT W.A. (2006–2010), he pioneered the development of cutting-edge school real-time payment and management portals and executed technology collaborations with leading financial institutions on e-commerce.
Since 2009, he serves as Nigeria Country Representative for Applied Consulting Ltd., UK, under the International Group of Economic and Professional Services (IGEPS), a role central to fostering bilateral trade, investment linkages, and international technical partnerships for Nigerian businesses.

His engineering practice extends beyond the corporate sphere into pro-bono service for communities, reflecting a philosophy that technical expertise must translate into tangible public good.

Public Administration & Institutional Governance

Engr. Banna possesses extensive experience in public sector administration and project oversight.

He served as Director General/Chief Executive Officer of the Imo State Facilities Management Agency and as Board Member of the Imo State Universal Basic Education Board (IMSUBEB) in 2019.

He chaired the Owerri North LGA Project Implementation Committee and the Transition Subcommittee on ICT (2009–2010). In 2010, he oversaw operations of the Imo State Environmental Transformation Commission in Owerri North.

Earlier in his career, during NYSC, he served as Project Inspector with the Rural Electrification Agency in Delta State, and subsequently worked as a Service Engineer in the oil and gas sector and equipment leasing.

These roles endowed him with an unparalleled grasp of public budgeting, infrastructure delivery, procurement systems, and institutional accountability.

Political Experience

Engr. Uche Banna possesses over 23 years of indefatigable and dedicated political engagement, having cultivated his political acumen through sustained grassroots mobilization from 2003 to 2025. He served as Chairman of the PDP Contact and Mobilization Subcommittee for Owerri North LGA Council Elections in 2009, and subsequently as the distinguished Executive Secretary of the PDP Owerri North LGA Campaign Council for the 2019 and 2023 general elections.

Between 2011 and 2020, he coordinated and managed formidable Owerri North LGA campaign formations for various PDP senatorial and gubernatorial candidates, while also overseeing critical state directorates for gubernatorial aspirants in the areas of strategy, data management, and finance.

His meritorious involvement in the PDP Imo State Campaign Council across five epochal elections in 2007, 2011, 2015, 2019, and 2023 has solidified his sterling reputation and earned the trust of various political players. He is presently a dedicated member of the Nigeria Democratic Congress (NDC), committed to fostering monumental political change and developmental governance within Owerri North LGA and Imo State.

Civic Stewardship & Community Development

A committed community builder, Engr. Banna served as Secretary General and subsequently President General of the Obibiezena Development Union Worldwide from 2010 to 2021. In that capacity, he mobilized diaspora resources for community projects, mediated and resolved protracted communal disputes, notably the women's unification initiative and championed essential infrastructure advocacy.

His dedication to youth and social welfare is demonstrated through service as Imo State Patron of the Boys Brigade of Nigeria, House Patron of John F. Kennedy International Secondary School amongst others, and State Deputy Director of the Imo State Scout Council.

He is an active member of Lions Club International and the Breast Cancer Association of Nigeria (BRECAN), evidencing a sustained commitment to health, welfare, and humanitarian outreach.He also served for eleven years on the Board of the Imo State Football Association, leveraging sports as a vehicle for youth engagement and social cohesion.

Core Identity

Engr. Uche Banna is an engineer who builds. A businessman who creates employment. An administrator who understands systems. A community leader who listens and delivers.His profile reflects discipline, pragmatism, integrity, and a resolute dedication to institutional reform, infrastructural development, and inclusive community advancement.

Legislative Manifesto & Governance Blueprint 2027

Owerri North State Constituency, Imo State House of Assembly

Preamble: A Contract of Accessibility, Experience, and Effective Representation

As the 2027 electoral conversation for Owerri North State Constituency begins, the people are entitled to representation that transcends rhetoric, seasonal visits, and political symbolism. Owerri North deserves a legislator whose stewardship is defined by open doors, proven capacity, and measurable impact.

I therefore present to the good people of Owerri North a governance compact founded on three cardinal principles: Accessibility. Experience. Effective Representation.

These are not abstractions. They are operational imperatives that speak directly to the daily realities of our constituents: reliable market access for our farmers, conducive learning environments for our children, functional primary healthcare for our indigenes, sustainable livelihoods for our youth, regulatory fairness for traders and SMEs, and structured channels for every citizen to participate in shaping our collective future.

Accessibility: Institutionalizing a People -Centered Representation

The enduring deficit in our democracy is the chasm that widens between elected officials and the people after elections. Owerri North will be governed by a different standard.

Representation must be proximate, responsive, and structurally available. Leadership is not validated by the mere occupation of office, but by how easily the people can reach their representative and be heard.

Upon election, I shall institutionalize accessibility: a fully functional Constituency Office open year-round, Ward Focal Persons in every community, and secure digital channels for petitions, updates, and dialogue. We will convene quarterly town-hall engagements and mobile outreach to meet our people where they are.

These mechanisms will guarantee that individuals, town unions, market associations, youth bodies, women's organizations, and persons living with disabilities have unimpeded access to their representative. Your concerns will be documented, tracked, and pursued, not forgotten.

Experience: Legislative Mastery over Experimentation

The Imo State House of Assembly is a constitutional institution of lawmaking,budget scrutiny, oversight, and advocacy. It is not a ceremonial post. The central question for any aspirant must be: Do you possess the competence to deliver?

Experience means understanding the boundaries between legislation and execution. It demands proficiency in bill drafting, motion sponsorship, committee interrogation, appropriation analysis, oversight petitions, and strategic advocacy within the ambit of statutory authority.

For over two decades, I have led complex engineering and public service projects, managed stakeholders, and delivered results under exacting standards. I bring that same discipline, technical rigor, and problem-solving acumen to legislative service.

My commitment is to offer Owerri North representation grounded in constitutional fidelity, procedural mastery, and results-oriented advocacy. I will defend viable government programs, interrogate inefficiencies without fear or favor, and as a loyal member of the Nigeria Democratic Congress (NDC), I will uphold party cohesion while placing the primacy of constituent welfare above all else.

Effective Representation: The First 100 Days Action & Impact Framework

To translate principle into tangible outcomes, my first 100 days shall be governed by a structured Legislative and Constituency Impact Plan:

1. **Constituency Needs Register:** A ward-by-ward empirical documentation of infrastructural deficits, school and health facility conditions, youth unemployment, erosion, sanitation, and security concerns to establish an evidence-based advocacy agenda.
2. **Legislative Motion on Rural Infrastructure:** Immediate sponsorship of a House motion mandating relevant MDAs to audit rural roads, drainage systems, and erosion sites in Owerri North, and to prioritize remedial interventions in the state budget.
3. **Budget Advocacy & Project Tracking:** Proactive engagement in the appropriation process to ensure Owerri North's priorities are captured in the state budget, followed by systematic monitoring of implementation and value-for-money across MDAs.
4. **Human Capital Development Initiatives:** Legislative advocacy for the periodic upgrade of public primary and secondary schools, and for the revitalization of primary healthcare centers with emphasis on personnel, equipment, and essential drug availability.
5. **Youth, Enterprise & Community Safety Desk:** Establishment of a Constituency Office unit for skills linkage, SME support, market modernization, and collaboration with security agencies and community structures for intelligence-led safety.

This framework ensures that representation is tangible, that accessibility yields responsiveness, that experience translates into legislation, and that effectiveness is measured by outcomes not intentions.

Conclusion: A Pledge to Owerri North

Owerri North deserves a representative who understands the weight of public trust, commands the intricacies of legislative service, and refuses to govern from a distance.

We require a door that is open, a mind that is seasoned, and a record that delivers.

In 2027, let us choose beyond sloganeering. Let us choose governance that works.

This is my commitment. This is my covenant. This is the standard of representation I offer to Owerri North.
